The image displays two side-by-side screenshots of a mobile application interface for LORMA Colleges.

Left Screenshot (Sign In Screen):

- At the top, there is a header with the LORMA COLLEGES logo and a building image in the background.
- Below the header, there are two input fields: "ENTER ID" and "PASSWORD".
- A large green "SIGN IN" button is positioned below the password field.
- At the bottom, there are two links: "Forgot Password?" and "Need an Account? Sign Up".
- The status bar at the very top shows the time as 11:32 and battery level at 54%.

Right Screenshot (Create Account Screen):

- At the top, it says "Create Account" and "Create a new Account".
- Below that, there are seven input fields labeled "ID", "USERNAME", "EMAIL", "CONTACT", "DEPARTMENT", "PASSWORD", and "CONFIRM PASSWORD".
- A large green "CREATE ACCOUNT" button is located at the bottom.
- At the bottom, there is a link: "Have an Account? Sign In".
- The status bar at the very top shows the time as 11:32 and battery level at 54%.

☰ Home

The interface consists of two main sections. At the top is a white box labeled "SCAN QR" with a QR code icon and two buttons: "Time In" with a clock icon and "Time Out" with a double arrow icon. Below this is a green box titled "Recent History" with a "All History" tab and navigation arrows. It displays a card for "Room 307" with two entries: "OUT" at 2023-05-23 08:39:07 (marked with a red dot) and "IN" at 2023-05-23 08:38:53 (marked with a green dot).

The Attendance Monitoring System implemented in Lorma Colleges is designed to streamline and automate the attendance tracking process for students and faculty members of CCSE Department. Leveraging advanced technology, it provides an efficient and reliable way to monitor and record, ensuring accurate data collection and analysis.

The web-based interface of the system, designed using React, provides administrators with an intuitive and responsive dashboard for managing attendance records and monitoring real-time data. React Native was employed to develop the mobile application component of the System. By implementing this system, Lorma Colleges will significantly enhance its attendance management capabilities, resulting in increased efficiency, accuracy, and transparency.
